FACT SHEET: Arab-British Documentation

Exports to the Arab States of the Middle East generally need to be covered by documentation processed through the Arab-British Chamber of Commerce in London. The requirement, which applies to the countries listed below, is usually for certification by the Arab-British Chamber of Commerce and, often, for legalisation by the Embassy of the country to which the goods are being consigned.

NHCCI works with Portsmouth and South East Hampshire Chamber of Commerce & Industry, who are an agent Chamber of the Arab-British Chamber of Commerce, to provide a full Arab documentation service.

Countries covered:

Algeria	Morocco
Bahrain	Oman
Iraq	Qatar
Jibuti	Saudi Arabia
Jordan	Somalia
Kuwait	Sudan
Lebanon	Syria
Libya	Tunisia
Mauritania	United Arab Emirates
	Republic of Yemen

The documents that typically require this processing are Certificates of Origin, Commercial Invoices, Agency and Distribution Agreements. Prices vary from country to country, and we can give a price indication on request. The processing time is usually between 3 and 10 working days.

Blank Certificate of Origins forms can be purchased from NHCCI's International Trade Centre. Electronic processing of Arab Certificates of Origin is available through the A-Cert system.
